

POLICY REGARDING UNSPORTSMANLIKE CONDUCT

The Board of Directors of the Fiesta Grande Pickleball Club has adopted the following policy regarding unsportsmanlike conduct during Round Robin Play. Round Robin captains will have the authority to dismiss any individual from further play in any Round Robin where a player displays unsportsmanlike conduct towards another player, the Round Robin captain, or is in violation of the stated Round Robin policy. The captain will first issue a verbal warning to the offending player and if the conduct or violation continues after the warning the captain may then dismiss the player from further play during that Round Robin. The offending player will also be advised that any further unsportsmanlike conduct or violation of policy in subsequent Round Robins will result in the board of directors filing a written complaint with the management of the Fiesta Grande RV Resort. The complaint will identify the offending individual and the nature of the complaint.
